

The Nation's Largest Employer Pool for Automotive Service and Design

Jobs in the automotive and transportation field are numerous. As an automotive student, you can get access to the latest equipment, technology, and automotive designs by taking courses relevant to automotive employment.

Community colleges offer courses that are continuously updated on the newest technology to help update your skills.

Employment in the industry ranges from work in independent garages and dealerships among Northern California's numerous brands to being a key part of the state's growing alternative technology movement.

San Francisco/Monterey Community Colleges with Automotive Programs

1. College of Alameda
2. Chabot College
3. Contra Costa College
4. De Anza College
5. Evergreen Valley College
6. Hartnell College
7. Las Positas College
8. Los Medanos Community College
9. College of Marin
10. Monterey Peninsula College
11. City College of San Francisco
12. Santa Rosa Junior College
13. Skyline College
14. Solano Community College

12 Santa Rosa Junior College

1501 Mendocino Avenue
Santa Rosa, CA 95401

PROGRAMS:

- AS Degree Available
- Certificates of Achievement in both Automotive and Diesel Technology
- California Smog Inspector and Technician Training
- Hybrid Training

CONTACT:

13 Skyline College

3300 College Drive
San Bruno, CA 94066

PROGRAMS:

- Two AS Degree Pathways
- State-approved Certificates of Achievement in all ASE automotive areas
- ASE Educational Foundation Certified since 1989
- Industry Partners: Audi Educational Foundation, Ford ACE, Mercedes Benz Campus, Nissan and Infinity Technician Training Academy (NTTA/ITTA), and Subaru University

— Continued next column

- Apprenticeship Training with Local 1414 Joint Apprenticeship Counsel
- Internships Available
- Smog Check Training – Entry Level to License Renewal Update
- Hybrid and EV Training – Advanced Training

IT'S THE PLACE TO LAUNCH YOUR

Automotive Career!

Become a Trained Technician at
Any One of 14 San Francisco/Monterey
Community Colleges

Special Programs and Job Placement Available

It's the Place to Launch Your Automotive Career!

Did You Know?

Your Career Path in the Automotive Department at a Community College can be Exciting and Rewarding.

Benefits of working in the automotive industry include access to the latest equipment, technology and automotive design. Community colleges offer courses that are continuously updated on the newest technology to help keep your skills up-to-date and valuable.

Jobs in the Automotive and Transportation Field are Numerous.

Employment in the industry ranges from work in independent garages and dealerships among San Francisco and Monterey Bay Area's numerous big-name brands to being a key part of the state's growing alternative and green technology movement.

Employment Doesn't Stop at the Auto Shop, Either.

With the right skills, automotive work can include employment in private and public fleets, work doing customization and restoration of classic cars, placement as shop foremen and service advisers, quality auditing and safety management, and work as automotive engineers and researchers.

*ASE Education Foundation (formerly NATEF)

1 College of Alameda

 555 Ralph Appezatto Memorial Parkway
Alameda, CA 94501

PROGRAMS:

- **AS Degree and Certificates of Achievement**
NATEF Master Certification, Automotive Engine Performance, Automotive Chassis and Brakes, Auto Body/Paint
- **Industry Partners:** Ford, Subaru

CONTACT:

Rick Greenspan, Chair
